## Careers Information Evening

6.00 PM – 7.30 PM. THURSDAY 10th AUGUST  
TAFE SA Mount Gambier Campus

The Limestone Coast Rotary Careers Expo invites parents and students to attend the Tertiary Information Evening at the TAFE SA Mount Gambier campus, Thursday 10th August between 6:00 and 7:30 pm.

Whether studying locally or moving away, tertiary study is a big step and there is lots to think about. Come along to the Limestone Coast Rotary Careers Expo Tertiary Information Evening to find out about all aspects of Uni life including study pathways and entry requirements, accommodation, scholarships and living costs, including Youth Allowance. Plus, representatives from the Australian Defence Forces, TAFE SA, the Rural Doctors Workforce Agency and Le Cordon Bleu will be on hand to talk about study and career options.

On the night, there will be presentations from:

- Deakin University, Flinders University, the University of Adelaide and UniSA
- The Australian Defence Forces
- TAFE SA
- Centrelink

After presentations, you'll have the opportunity to stay on and talk with presenters. So if you're looking for answers to some questions, or aren't sure what the questions might be just yet, then we'd love you to come along.

For more information visit [www.lcrotarycareerexpo.com.au](http://www.lcrotarycareerexpo.com.au) or Facebook page. Bookings essential, go to Facebook page (Rotary Careers Expo) Event created or Contact Camille on 8735 1526 or [camille.clark@tafesa.edu.au](mailto:camille.clark@tafesa.edu.au)

Join us for a sausage sizzle from 5.30pm onwards Thursday Night.
